Mennonite Central Committee Alberta

The Board of Directors of Mennonite Central Committee Alberta are pleased to announce the appointment of Dale Taylor to the position of Interim Executive Director, effective May 1, 2020 for an 18-month term.

Dale has considerable leadership and management experience, having served as Executive Director at the Centre for Newcomers and as Associate Executive Director at MCC Canada, among other roles. Dale is very much looking forward to working with our dedicated team of staff, incredible volunteers and committed church partners and donors to enable relief, development and peace around the world, in the name of Christ.

As Dale Taylor assumes the Executive Director role, Rob Enns is resuming his role as MCCA Board Chair and Edwin Dening is resuming his role as Vice Chair of the Board. Please join us in congratulating and welcoming Dale to this role. We look forward to working together with Dale, in partnership with churches and MCCA's constituency and all of our friends.
