

#Reconcile

A Commitment to Truth & Reconciliation

For the past seven years, Mennonite Central Committee in Ontario (MCC) has been working intentionally with both survivors, Indigenous Organizational Partners and constituency around the issue of Indian Residential Schools (IRS). While the National Truth and Reconciliation Commission Events are coming to a close, MCC is very aware that **"It isn't over"**. Mennonite Central Committee in Ontario is honoured to be sponsoring 10 survivors from across Ontario who will be attending the May 31 - June 3 TRC with us. Mennonite Central Committee invites you to join us at the Ottawa TRC where we will all work to change history.
