[Mennonite Central Committee \(MCC\) Canada](#) is the relief, development and peace agency of the Mennonite and Brethren in Christ churches of Canada. MCC Canada engages in advocacy to government to support its mission of responding to basic human needs and working for peace and justice. We are registered as an in-house lobbyist organization with the [Office of the Commissioner of Lobbying of Canada](#) and must comply with the [Lobbyists' Code of Conduct](#).

Much of MCC Canada's advocacy happens through our [Ottawa Office](#), established in 1975. Our Ottawa Office speaks to government and engages supporters on issues of concern to MCC and to our partners. Learn more about our work by contacting us:
